# WELCOME TO O BEIRÃO

**"O Beirão" is pronounced as "OO BAY-ROWNG".**

The "O" is a short "oo" sound, "Bei" sounds like "bay," and "rão" is pronounced like "row" with a nasal, trailing "ng" sound, emphasizing the nasal diphthong common in Portuguese.

At our establishment, we take great pride in creating a perfect meal.

Please note that our commitment to using only the freshest ingredients means that some menu items may take a little more time to prepare. We firmly believe that the wait is worth the taste, and your patience is truly appreciated.

From the first bite to the last, we hope your dining experience with us is nothing short of memorable.

Thank you for choosing us to be part of your culinary journey, and may your meal be filled with delightful surprises. Enjoy!
